*Join us! Support local businesses & community.* **The Heart of Catskill Association/Catskill Chamber of Commerce** is a local, not-for-profit 5019c06 corporation. The purpose of this corporation is to facilitate non-partisan discussion and action to continue to revitalize and improve Catskill's traditional and historic business districts. Since the social and economic well-being of our community affects all of us, we do not believe it should be left in the hands of government alone. Our goals are to foster an atmosphere that will encourage business development and expansion, and to raise funds for the implementation of revitalization efforts.
